Purpose

To facilitate the use of school buildings, grounds and facilities of the Halton Catholic District School Board for community use in accordance with Board Operating Policies, Administrative Procedures, and school use requirements as amended from time to time, with no expectation of subsidy from or any cost to the Board.

Application and Scope

This policy applies to:

- All school sites, buildings, facilities, playfields, playgrounds, parking lots, furniture and equipment under the jurisdiction of the Board;
- All eligible community members, groups, organizations, institutions and agencies making application for use of Board property;
- Eligible users who complete and gain approval for a community use of school facilities permit issued under this policy and associated procedures.

Definitions

Permit Applicant – an individual submitting the request for the use of a Halton Catholic District School Board facility or property, for a specific date, time and use.

Community Use of School Facilities Permit – a document granting the Permit Holder use of a Halton Catholic District School Board facility or property, for a specific date, time and use.

Principles

- Use of school grounds and community use of school facilities will be in accordance with the Board's policies and procedures, including Board Policy II-45 on Equity and Inclusive Education. The Board and its staff are committed to the elimination of discrimination as outlined in Ontario's Equity and Inclusive Education Strategy in a manner which is consistent with the exercise of the Board's denominational rights under section 93 of the Constitution Act, 1982 and as recognized at section 19 of the Ontario Human Rights Code.
- Use of school grounds and community use of school facilities will be in accordance with the Education Act, subsection 301(2) of Part XIII and the Provincial Code of Conduct 301(3.1); whereby the Halton Catholic District School Board entering into agreement with another person or entity, other than the Board, respecting the use of a school operated by the Board, the Board shall include in the agreement a requirement that the person or entity follow standards that are consistent with the code of conduct. 2012, c.5, s.10 (2).
- The Halton Catholic District School Board recognizes the importance of fostering cooperation with community organizations and endorses the concept of "Community Use of School Facilities" and therefore maintains appropriate procedures, rules and regulations to facilitate the application, approval, and issuance of permits for the use of its property under this policy.
- It is understood that a priority will be accorded to the educational program of the school and to the protection of buildings, facilities, playfields, parking lots, grounds, furniture and equipment.

Requirements

- The Board recognizes that as a publicly funded body and responsible community member, school buildings, facilities, playfields, parking lots, grounds, furniture and equipment should reasonably be made available to eligible Permit Applicants for community use where such use does not impede or compromise the educational programs offered in the Board's schools or interfere with custodial and maintenance work programs, or violate the Board's Governing Values or the core values of the Catholic Church.

- The Board recognizes while making its buildings, facilities, playfields, parking lots, grounds, furniture and equipment available for community use, there is a need to recover certain costs associated with such usage by community groups, organizations, agencies or individuals.
- The Board recognizes that a schedule of fees and cost recoveries should reflect the varying nature and purpose of community use of its school facilities and property.
- Formal agreements based on mutual benefit may be established with organizations such as Diocese of Hamilton, municipal parks & recreation departments, local community colleges and universities.
- The issuance of permits under this policy shall not establish a rental contract or otherwise between the Halton Catholic District School Board and any individual, group or organization. Board staff may at any time, regardless of whether a fee has been paid, withdraw the use of any school building, facility, playfield, parking lot, grounds, furniture or equipment, if in the opinion of the Board and in its unfettered discretion, the use to which Board property is to be or is being put is incompatible with the Board's mandate or not in the best interests of the Board or the community.
- Community use of school facilities permits are not granted to individuals or groups unless liability insurance coverage acceptable to the Board is provided through a recognized organization, by a third-party insurance carrier or purchased through the Board.
- Community use of school facilities permits are not granted to individuals or groups unless a Board representative, or a responsible person acceptable to the Superintendent of Facility Management Services, is on duty at the school site during the permitted event to protect the interests of the Board by specifically opening the school, providing access to appropriate areas, ensuring the security of the Board's property, respond to any emergency situations and secure the school at the completion of the program. Any, and all, costs associated with additional custodial staff time required to accommodate a Permit Applicant shall be charged to the permit applicant at a rate determined by the community use of school facilities office.
